

Slim Down Tablets™

Clinic-Friendly Overview

Slim Down Tablets™ is an advanced daily wellness formula designed to support **healthy weight management, natural energy, and appetite control**—making it easier for patients to stay consistent with their nutrition and exercise goals.

This product combines clinically relevant nutrients, energizing botanicals, and metabolism-supporting ingredients into one convenient tablet.

Why Patients Choose Slim Down Tablets™

■ 1) Clean Energy + Better Daily Motivation

Each tablet delivers **100 mg of natural caffeine** (about the same as 1 cup of coffee), sourced from **Guarana**, along with supportive botanicals like:

- Green Tea Extract
- Yerba Mate
- Cacao Fruit Extract (Theobromine)

Result: steady, noticeable energy that helps patients feel more motivated, active, and on track—especially during dieting and workouts.

■ 2) Appetite & Craving Support

Slim Down Tablets™ includes targeted ingredients commonly used for appetite and carb-support routines:

- Chromium Picolinate
- Gymnema Sylvestre
- Banaba Leaf Extract

Result: helps patients stay more consistent with food choices, portion control, and reduced snacking.

■ 3) Metabolism Support You Can Build a Plan Around

Slim Down Tablets™ provides key ingredients to support metabolic health and daily performance:

- Vitamin B6 for energy metabolism
- Iodine to support normal thyroid function
- Cayenne Pepper (capsaicin) for thermogenic support
- Garcinia Cambogia and Calcium Pyruvate for weight-management routines

Result: supports a “fat-loss lifestyle” when paired with a sensible diet and regular movement.

■ 4) An All-in-One Formula (More Value, Less Guesswork)

Patients often buy multiple products for energy, cravings, and metabolism. Slim Down Tablets™ combines these key categories into one easy supplement—simplifying their routine and improving adherence.

How to Use (Simple for Patients)

Suggested Use:

- ✓■ Take 1 tablet in the morning
- ✓■ Take a second tablet early afternoon (optional)

Preferably with meals.

Perfect for patients who want support during:

- Morning fatigue
- Afternoon cravings
- Workouts and active days

Who This Is Best For

Slim Down Tablets™ is ideal for adults who want:

- More daily energy
- Appetite support
- Improved consistency with diet plans
- Metabolic wellness support
- An easy supplement routine that fits a busy schedule

Professional Notes for Clinics

- Caffeine per tablet: 100 mg
- Allergen statement: contains crustacean shellfish (crab/shrimp)
- Manufactured in a facility that may process common allergens.
